WRITE-IN DENNIS GRITTNER

Running in Arizona District 1 as a write-in Democrat

IF YOU SELL IT - YOU MUST DISPOSE/RECYCLE IT

- No free rides for Republicans. Like the Obama Campaign I am challenging Republicans, even here in Yavapai County.
- I am a lifelong Democrat. I met my wife Judith campaigning for John Kennedy.
- I will protect a Woman's right to choose.
- I will introduce legislation to prohibit tax dollars from being used to support private development, unless it is for renewable energy. No more development deals like Lowes in Prescott and Wal-Mart (still waiting, but the tax deal is cut) in Prescott Valley.
- I will introduce No growth, Slow growth legislation.
- I will protect, defend, and enhance funding for Public Schools, Colleges and Universities in Arizona.
- I will introduce Legislation to remove the Sales Tax from food and clothing. Taxing food and clothing hits lower income people the hardest.

What can I do?

What Can I do?

You might ask, 'What can I do to help write-in Democratic Candidates?' There are 3 major things you can do

Vote

We need your write-in vote on Primary Election Day, September 2nd. If you are not registered as a Democrat do so right away - the Deadline is fast approaching! In order to be nominated for the General Election, we each need at least 308 write-in votes in the Primary

Help Campaign

Help us campaign! Tell your friends of the importance of doing the write-in voting in the Primary Election. We need volunteers to hand out information about writing in Democrats at every precinct. Read the information here for issues you can talk to your neighbors about.

We need Money

Help us out financially. We need a little money to help us campaign (donations are limited to \$130 per person). We also need 264 special \$5 Clean Elections voluntary individual donations by August 21 - complete with signed forms in order to qualify for Clean Elections Funding in the General Election
