## **Write-in Democratic Candidate for Arizona House District 1**

- **No free rides for Republicans. Like the Obama Campaign, I am challenging Republicans, even here in Yavapai County.**
- **I am a lifelong Democrat. I met my wife campaigning for John Kennedy.**
- **I will protect a Woman's right to choose.**
- **I will introduce legislation to prohibit tax dollars from being used to support private development unless it is for renewable energy.**
- **I will introduce No growth, Slow growth legislation.**
- **I will protect, defend, and enhance funding for Public Schools, Colleges and Universities in Arizona.**
- **I will introduce Legislation to remove the Sales Tax from food and clothing, as this use of the Sales Tax on food and clothing is regressive and taxes poor and moderate income residents unfairly.**
